

Remarks/Arguments

The present amendment provides a replacement Sequence Listing. The enclosed replacement Sequence Listing has an updated general information section as well as correction of inadvertent errors in the spelling of the name of one of the inventors, the title of the invention, and the file reference. The replacement Sequence Listing does not include new matter. I hereby state that the enclosed substitute copy of the computer readable form is the same as the replacement Sequence Listing.

Conclusion

Applicants respectfully request entry of the foregoing amendment and remarks into the file of the above-identified application.

Please charge deposit account number 502287 for any fees due in connection with this amendment. If any time extensions are needed for the timely filing of the present amendment, applicants petition for such extensions and authorize the charging of deposit account number 502287 for the appropriate fees.
